Complainant arrived at the 009th district station to make this complaint. The complainant alleged that on 11 October 2011 at approximately 0040 hours, he was arrested as a result of a traffic stop and brought into the 009th district station. While in the processing area, the complainant alleges that one officer, described as a male Hispanic in civilian dress, was holding the complainant's handcuffed hands above his head and punching him in the stomach. At the same time, 2 M-2 officers (both in civilian dress, both wearing gloves, one wearing a peach/red shirt under his vest) were behind him. These officers pulled the complainant's pants down and spread his legs while the other officer inserted his fingers into the complainant's rectum. A fourth officer, a female officer in civilian

dress, was standing behind the complainant as well. Complainant alleges that this treatment continued for 10-15 minutes before ceasing.

The complainant was charged PCS (Possession of a Controlled Substance) and assorted traffic violations. Complainant was transported to Cook County Jail and was released from custody shortly before his arrival at the 009th District desk. Upon receipt of this complaint, Reporting Sergeant contacted Internal Affairs (Sgt Cochran) and IPRA (Douglas, #101138, 2250 hours). R/S also spoke to Investigator Chico who related that an investigator was being sent to 009 to interview the complainant. Chico also ordered an Evidence Technician to respond to 009. ET Jordan, Beat 5817 responded for photographs of the complainant. The complainant, after giving his statement to the IPRA investigators, was transported to Mercy Hospital for a vitullo kit.
